

AHS Parent Newsletter: Friday, Nov. 10

Principal's Message

One more week until our Thanksgiving break. We have a lot going on this weekend should you be looking for something to do. Our stage production of *Radium Girls* has performances tonight and Saturday at 7:00 pm and 2:00 pm on Sunday in our Little Theater in the B Building. You can go to gofan.com and search Alameda High for tickets and prices. Masks are recommended. Come on out and see all the great work the students have put in to produce the show.

Winter Sports

We had a full house at our Winter Sports Parents' meeting last Tuesday and are happy to report that basketball and soccer are wrapping up their tryouts and rosters are being posted. We are excited to be adding wrestling to our winter sports. Coach Spencer is working hard to get the program up and running. And of course, our fantastic cheer squads will be back to cheer on our teams for the winter sports.

Progress Reports

Progress reports will be recorded in AERIES for your viewing by next Friday. Please note, that students will have just 12 more class meetings before finals and the end of the first semester. Those semester grades are the grades that will be recorded on their transcripts and will be a part of their permanent record that they will submit to universities and potential employers going forward. Students concerned about a grade should speak to their teachers prior to the Thanksgiving break as there may be time and opportunities for them to complete some late assignments.

Ninth Grade Counselor – Ms. Perez

Next week our 9th grade counselor, Ms. Perez, will be visiting the first semester 'Navigating Life' classes to talk to students about their Academic plans. There will be a power point presentation and students will be provided instructions on how to enter these plans in Aeries. Students should refer to the course catalog online, the worksheet and written instructions provided to them while creating their plans. Students will have until November 21 to enter their plans in Aeries. Once the window closes, students will be unable to add any information. Students will then have an opportunity to make changes to their plans during course selection. Parents will be able to view their student's plans in Aeries by going to 'Classes' and selecting 'Academic Plan.'

Students who have the 'Navigating Life' class second semester will receive this lesson and have the opportunity to create their own Academic Plans in January.

Band Performance – November 11

The Alameda High School Bands will be performing tomorrow at The Annual Veterans Day Celebration at the Alameda Veterans' Hall on the corner of Central and Walnut. The celebration starts at 11:00 am and the Hornet musicians will be playing multiple pieces throughout the event.

If you have any questions or concerns, you may email me at rithurburn@alamedaunified.org or you can call the school at 337 – 7022 and I will try to address them.
